

Grass /Lawn Mowing Ordinance

In accordance with City Code, section 92.37 to 92.43 it is unlawful to allow grass and weeds grow to a height greater than six inches on private property.

Lawn inspections generally take place every two weeks from May-September.

Violation of this Ordinance on property located in city limits will receive a letter allowing seven days for the property to be mowed and/or trimming of weeds. If property is not mowed in seven days, the City will mow the grass and weeds and you will be subject to a fine of up to \$75 per day for the violation.

If you have any questions about the City's ordinances regulating grass and weed mowing, please call the Kiester City Office 507-294-3161

By, Kiester City Mayor and Council.
